The next meeting of ATNP Working Group 3 will be hosted by Aeronautical Radio of Thailand Ltd. at Le Meridian hotel in Phuket, Thailand. The WG3 meeting will take place Tuesday through Thursday, 4-6 March 1997. Our host for the meeting is Mr. Bhumisathit Jampathom (fax: 662-285-9100 or 287-3451). The primary objectives of the meeting are to:

- Review the validation results
- Review any reported defects
- Review any proposed SARP's changes to correct reported defects
- Finalize the validation reports for Sub-Volumes 2, 3 and 4
- Finalize any proposed changes to Sub-Volumes 2, 3 and 4
- Review ATN Guidance Material
- Planning for progressing the WG3 work program as defined by ATNP/2

Casual dress is encouraged for the meeting.

Note that the ATNP CCB will be meeting on Monday, 3 March. WG1 will be meeting on Friday 7, March and again on Monday, 10 March. The working group of the whole (WGW) will be meeting Tuesday through Friday, 11-14 March. The validation reports and any proposed changes to the SARPs, as prepared by WG3, will be submitted to the WGW. Support from some of the WG3 members may be needed between the conclusion of the WG3 meeting on 6 March and the convening of the WGW meeting on 11 March in order to complete editorial assignments authorized by WG3 before the materials are presented to the WGW.

The draft Agenda for the WG3 meeting is attached.

Note the meeting will convene at 0900 the first day.
